

GENERAL TERMS AND CONDITIONS OF SALE AND DELIVERY OF PLANT MEAT MAKERS B.V. AND ITS AFFILIATES

1. DEFINITIONS AND APPLICABILITY

- 1.1 In these general terms and conditions the following capitalized terms have the following meanings:
- **Terms and Conditions:** these general terms and conditions of sale and delivery of Products;
 - **Rival Foods:** Plant Meat Makers B.V., a company with its office address at Nieuwe Kazernelaan 2 D 85 (6711 JC), Ede the Netherlands, registered under Chamber of Commerce No. 73326798, or any of its affiliates, that declares these Terms and Conditions to apply to the legal relationships it enters into with a Buyer;
 - **Buyer:** any natural person, legal entity or partnership who is a party to or involved in any legal or other act as referred to in clause 2 or to whom a legal or other act is directed as referred to in said clause, or who has made a request as referred to in said clause;
 - **Multiple Use Packaging:** all multiple use packaging owned by Rival Foods.
 - **Products:** all tangible matters (and, if any, related services) supplied or to be supplied by Rival Foods, including but not limited to all kinds of plant-based meat and plant-based meat products.
- 1.2 These Terms and Conditions apply to all offers, quotations, order confirmations, (partial) deliveries of Products and to invoices from Rival Foods to Buyer, to all orders placed by Buyer, to all agreements concluded between Rival Foods and Buyer and to any amendment thereto, and to all requests from Buyer for the same, regardless of whether an agreement will be or has been concluded between Rival Foods and Buyer.
- 1.3 By accepting these Terms and Conditions, Buyer also agrees to the applicability of these Terms and Conditions to all future offers, quotations, orders, order confirmations and (requests for) the delivery of Products and to all agreements to be concluded between Rival Foods and Buyer in the future.
- 1.4 The application of general terms and conditions of Buyer or any other terms and conditions is explicitly excluded. Buyer may only rely on stipulations which deviate from and/or supplement these Terms and Conditions if and insofar as Rival Foods has explicitly accepted them in writing. Such deviating and/or supplemental stipulations do not affect the applicability of any other provisions contained in these Terms and Conditions and apply solely to the agreement for which they have been explicitly agreed in writing.
- 1.5 The invalidity, invalidation or ineffectiveness of one of the provisions contained in these Terms and Conditions does not affect the validity of the remaining provisions. In the event that one or more provisions are/become invalid, invalidated or ineffective, Rival Foods and Buyer will record replacement provisions which are valid and which most closely match the content and purport of the invalid, invalidated or ineffective provision(s).

- 1.6 Rival Foods may at its discretion amend or supplement these Terms and Conditions at any time. Rival Foods will give Buyer notice of any such amendments and will provide Buyer with the new version of the Terms and Conditions. This new version of the Terms and Conditions will apply 5 (five) calendar days after that the amended Terms and Conditions have been provided to Buyer.

2. OFFERS AND CONCLUSION OF AGREEMENTS

- 2.1 All offers and quotations from Rival Foods and all orders from Buyer, whether verbal or in writing, do not entail any obligation for Rival Foods and do not bind it, unless this is otherwise explicitly evidenced by the offer or quotation from Rival Foods in which case however the respective offer or quotation is always subject to availability or unless Rival Foods has confirmed the order from Buyer in writing.
- 2.2 If an offer or quotation from Rival Foods comprises various price elements, Rival Foods is in no event obliged to deliver part of the Products to which the offer or quotation pertains at a corresponding percentage of the quoted price, nor will the offer or quotation concerned automatically apply to repeat orders. If Buyer wishes to place a repeat order, this will be billed separately.
- 2.3 All documents and information as stated in leaflets, brochures, offers, quotations and the like, are as accurate as possible but are not binding on Rival Foods and may in no event be regarded as an exact representation of what Rival Foods offers or is obliged to supply.
- 2.4 Agreements between Rival Foods and Buyer are concluded if, and as soon as, Rival Foods sends a written order confirmation to Buyer, for which the date of the order confirmation is decisive or – if this occurs beforehand – if Rival Foods has started processing Buyer's order, which includes but is not limited to the delivery of Products. The order confirmation will be deemed to accurately and fully represent the agreement and the Products to be delivered, including the applicability of these Terms and Conditions.
- 2.5 If Rival Foods for legitimate reasons (for instance Buyer's request for a small delivery of Products or a delivery that must be carried out with urgency) does not issue a quotation or order confirmation, the invoice from Rival Foods will be regarded as confirmation of the order, and that invoice will be deemed to accurately and fully represent the agreement, including the applicability of these Terms and Conditions.
- 2.6 Each agreement concluded between Rival Foods and Buyer in accordance with clause 2.4 results in a separate agreement between Rival Foods and Buyer. However, if it is legally established that the legal relationship between Rival Foods and Buyer must be considered to be a continuing performance agreement, Rival Foods may at any time and for whatever reason terminate this legal relationship subject to three months' notice, without being liable to Buyer for any compensation, reimbursement and/or damages as a result of such termination.
- 2.7 Buyer will accompany its order with sufficient information to enable Rival Foods to proceed with the order, if accepted by it, forthwith. If any such information contains alterations from information that was provided by Buyer to Rival Foods previously to that order, Rival Foods is authorized to (i) amend the price(s) of the specific Product(s) in order to cover any increase in costs which may reasonably be incurred by Rival Foods as a consequence of these alterations; or (ii) refuse the order.

- 2.8 Rival Foods is entitled to engage the services of third parties for the performance of the agreement.

3. PRICES

- 3.1 Unless expressly indicated or agreed otherwise in writing, the prices quoted by or agreed with Rival Foods will be (i) in euros, (ii) net prices, therefore, exclusive of VAT and any import, export and/or excise duties, and – if applicable – (iii) based on a minimum purchasing of at least one pallet. The net prices will furthermore not include costs of packaging, loading, transport, unloading, insurance and/or other services. If applicable, these costs will be added to the net prices. Any necessary documents, insofar as Rival Foods will be required to deliver them, will be charged extra at cost.
- 3.2 Unless expressly indicated or agreed otherwise in writing, Rival Foods may at all times, including after the agreement is concluded, adjust the price in the event of an increase in the prices of energy related to the Natural Gas EU Dutch TTF. Rival Foods will notify Buyer of these price adjustments as soon as possible. Buyer will at all times be obliged to pay the prices adjusted in accordance with this clause.
- 3.3 Each ordered Product will be performed upon payment of the price that Rival Foods charges for that Product on the day on which Rival Foods has received the order concerned.

4. PAYMENT

- 4.1 Regardless of whether Buyer is a new or existing customer, the creditworthiness of Buyer will be checked and periodically monitored by Rival Foods's credit insurer. If Rival Foods's credit insurer states that it is prepared to insure the transaction(s) with Buyer, Buyer will pay in full for Products purchased by it, by payment to a bank account designated by Rival Foods, within 30 (thirty) days of the date of the invoice, without any discount, deduction, offset or counterclaim. However, if Rival Foods's credit insurer states that it is not prepared to insure the transaction(s) with Buyer or Rival Foods deems for whatever reason advance payment in full from Buyer necessary, Buyer will pay in full for Products purchased by it in advance, therefore before Rival Foods commences delivery. All payments will be made in euros, unless expressly agreed otherwise in writing.
- 4.2 Buyer will, on first demand of Rival Foods, provide security, in a manner to be decided by Rival Foods, for the timely and correct fulfilment of its obligations.
- 4.3 Rival Foods may at all times invoice partial deliveries for Products. The same applies to any related services, if any, to be provided by Rival Foods.
- 4.4 Payment will be deemed to have been made by Buyer no sooner than the amount payable has been received by Rival Foods's bank in the Netherlands.
- 4.5 Any payment made by Buyer will in the first place be allocated to any costs due, then to any interest and, once these have been paid in full, the payment will be considered to be payment of the oldest outstanding invoice, regardless of whether Buyer stated otherwise in its payment.

- 4.6 Complaints concerning an invoice must be made in writing and must be received by Rival Foods within 14 (fourteen) days after the invoice date. After this term has expired, Buyer is deemed to have accepted the invoice. A complaint as referred to in this subparagraph does not suspend Buyer's payment obligation. In the event that the complaint is justified, Rival Foods will credit the relevant amount to Buyer.
- 4.7 If Buyer fails to comply with its payment obligation(s) or fails to do so on time or only partly complies with its payment obligation(s), it will be deemed to be in default by operation of law and any amount Buyer owes will be immediately due and payable – without any further demand or notice of default from Rival Foods being required – plus the statutory commercial interest, pursuant to section 6:119a of the Dutch Civil Code, on the amount or remaining amount Buyer owes, calculated from the first day after the agreed payment period has expired, and for which part of a month will be calculated as a full month.
- 4.8 All judicial and extrajudicial costs incurred by Rival Foods for collecting the amounts Buyer owes will be for Buyer's account. The extrajudicial costs are set at at least 15% (fifteen per cent) of the amount due (including the interest referred to in clause 4.7), with a minimum of EUR 500 (five hundred euros), without prejudice to Rival Foods's right to demand the actual costs, if these turn out to be higher.

5. DELIVERY

- 5.1 The delivery times and dates indicated by Rival Foods are target times and dates which are only approximations and never strict deadlines. Therefore, the mere fact that Rival Foods exceeds the agreed delivery time or date for delivery of Products will not constitute an event of default on Rival Foods's part and in such event Rival Foods will for instance not be liable for any damages suffered by Buyer or third parties.
- 5.2 Unless otherwise explicitly agreed in writing, Rival Foods will deliver Products to Buyer EXW from Rival Foods facilities or partner facilities in the Netherlands, in accordance with the Incoterms® 2020 Rules. The Products are for the account and risk of the Buyer pursuant to the agreed Incoterm and in accordance with the Incoterms® 2020 Rules, from the moment of delivery. If Rival Foods and Buyer have agreed in writing a different Incoterm in respect of an agreement, this different Incoterm will only apply in respect of that individual agreement and not for any other agreements concluded between them, unless otherwise explicitly agreed in writing.
- 5.3 Partial deliveries will at all times be permissible. Buyer is obliged to accept such deliveries.
- 5.4 For each delivery Rival Foods and Buyer will consult as to the time when Buyer will take delivery of the Products at the delivery address agreed between the parties. If Buyer takes delivery of the Products at another time than the one agreed between Rival Foods and Buyer (irrespective of the reason), and Rival Foods is forced to incur extra costs as a result, Rival Foods may charge these extra costs to Buyer. In such event, Buyer is furthermore considered to be in default by operation of law and Rival Foods may store the Products or have them stored for Buyer's risk and account. However, after a period of 3 (three) days, Rival Foods may proceed to sell these Products. Any sales revenue which Rival Foods misses out on at that time or the lower sales revenue that is generated and the costs that were incurred, will be charged to Buyer, without prejudice to the other rights of Rival Foods.

5.5 All Multiple Use Packaging made available by Rival Foods remains the property of Rival Foods. Buyer is not entitled to make the Multiple Use Packaging available to a third party nor to pledge or otherwise encumber the Multiple Use Packaging. Buyer will not use the Multiple Use Packaging for purposes other than for which they are intended. Buyer will administer the Multiple Use Packaging with due care. Rival Foods has the right to charge Buyer a reasonable deposit fee for the Multiple Use Packaging. Rival Foods determines when the Multiple Use Packaging must be returned by Buyer. Buyer will at its own expense clean, sort, and return the Multiple Use Packaging within the term set by Rival Foods. If the Multiple Use Packaging is not returned by Buyer or, in the opinion of Rival Foods, is returned damaged, uncleaned or incomplete, Buyer will be deemed to be in default by operation of law without any further demand or notice of default from Rival Foods being required and Buyer will be liable for all damages suffered and costs incurred by Rival Foods as a result of this default. Rival Foods will not be obliged to repay any deposit fee for Multiple Use Packaging that is returned damaged, uncleaned or incomplete.

6. RETENTION OF TITLE

- 6.1 Rival Foods will retain title to all Products delivered to Buyer (both paid and unpaid) until the purchase price for all these Products has been paid in full, including any interest and costs due. The retention of title also applies for claims against Buyer which Rival Foods may acquire on account of Buyer's failure to comply with one or more of its obligations to Rival Foods.
- 6.2 If and for as long as there is retention of title over the Products, Buyer is not permitted to sell these Products or to establish any limited right on them, except in the normal operation of its business. Buyer's right to sell the Products in the operation of its business will automatically expire if (i) an attachment is placed against Buyer, (ii) Buyer has requested a moratorium or insolvency (or bankruptcy), (iii) the insolvency (or bankruptcy) of Buyer will be/has been requested or (iv) Buyer enters into a payment plan with one or more of its creditors.
- 6.3 Buyer is obliged to store all Products sold and delivered to it by Rival Foods, at its premises, separately from other products and clearly identified. Buyer has a duty of care with respect to the Products which fall under the scope of the retention of title and must insure these and keep them insured against all the usual industry risks, including but not limited to thawing, contamination, fire, theft, explosion and water damage. Buyer will provide these insurance policies for inspection at Rival Foods's first request.
- 6.4 If Buyer fails to comply with any of its obligations ensuing from any agreement concluded with Rival Foods or if Rival Foods has good reason to fear that Buyer will fail to comply with its obligations ensuing from any agreement concluded with Rival Foods, then Rival Foods is authorized to remove the Products which were delivered to Buyer (whether paid or unpaid) or to have them removed, to take them back and to store them elsewhere. If Rival Foods wishes to exercise its proprietary rights referred to in this clause, Buyer must render its cooperation by giving Rival Foods or one or more third parties to be instructed by Rival Foods, permission to enter the place where the Products that are the property of Rival Foods are located and take back those Products.
- 6.5 All costs associated with exercising the retention of title, including transport and storage costs, are for Buyer's account.

- 6.6 If third parties claim to have rights over Products delivered by Rival Foods which fall under the scope of the retention of title or if third parties wish to establish rights on or attach the said Products, Buyer must notify Rival Foods of this within 24 hours of becoming aware of it. In that case Rival Foods is entitled to temporarily or definitively remove the Products (or have them removed) from Buyer, to take them back and/or store them (or have them stored) elsewhere.
- 6.7 In the event that Rival Foods exercises its retention of title, then Rival Foods is at all times entitled to but not obliged to sell the Products to a third party and Rival Foods will credit Buyer for the value (to be determined by Rival Foods) of the Products on the open market or the net sales value, whichever of these two amounts is lower, less all the costs incurred to take back the Products and without prejudice to Rival Foods's right to compensation of the damage it sustained as a result of Buyer's failure.
- 6.8 In the event that Buyer resells any Products which have not been paid for or not yet paid for or which have only been partly paid for, Buyer undertakes that in that case, it will impose a lien on those claims against its buyer (the second buyer) which ensue from this resale, at the first request of Rival Foods. Buyer is required to provide all relevant information and to take whatever action is necessary to impose the aforementioned lien, all this at the first request of Rival Foods. Pursuant to the lien, the payment made by the second buyer to Rival Foods will be deducted from the amount which Buyer owes to Rival Foods.

7. INSPECTION AND COMPLAINTS

- 7.1 Any delivered Product conforms to the agreement if (i) the Product's specifications provided to Buyer or (ii) reasonable variations thereof, as generally accepted in the industry and ensuing from applicable Dutch or European laws and regulations, are met. Buyer accepts that Rival Foods may deliver quantities of the Products that reasonably deviate from the quantities ordered with a maximum of 10%, without Rival Foods, if it does so, being in default, and whereby Buyer is obliged to pay for the actual quantities of the Products it receives. The same applies to weight loss of the Products due to cooling or freezing. Buyer accepts in this regard a weight loss tolerance as set forth in the applicable Dutch or European laws and regulations (if any) and if no such Dutch or European laws and regulations apply in the case in question, a weight loss tolerance with a maximum of 1%. Weight loss can only be demonstrated by Buyer with an official weighing slip that proves that weighing upon or immediately following delivery took place on scales calibrated for that purpose. If the Products are delivered at Rival Foods's facility, Rival Foods shall, at Buyer's request, give Buyer the opportunity to weigh the Products at Rival Foods's facility or to have a third party weigh the Products in Rival Foods's presence prior to delivery. If Products delivered at Rival Foods's facility are not weighed in accordance with the previous sentence, Buyer will be deemed to have waived the right to complain regarding any weight loss and Rival Foods will have the right to reject any such claims. Rival Foods and Buyer explicitly agree that article 7:17 of the Dutch Civil Code is not applicable.

7.2 Buyer is required to immediately examine the Products and its packaging for any deficiencies and/or visible defects (relating to, inter alia, temperature, quality and quantity) after delivery thereof. In the event of sampling, Buyer must also keep an additional sealed copy of every sample which gives cause to complain for Rival Foods. Any complaint due to any deficiencies identified and/or visible defects in the delivered Products must be submitted to Rival Foods in writing immediately and at the latest within 24 hours of the delivery, on pain of expiry of all possible claims in this regard. In the event of visible defects in the delivered Products as a result of damaged packaging, Buyer shall substantiate its complaint with pictures taken before unloading. Complaints in relation to non-visible defects in the delivered Products must be submitted to Rival Foods in writing within 24 hours of the time that they were or could reasonably have been discovered with a detailed description of the nature of and the reason for the complaints and an explanation as to why the non-visible defect could not be discovered sooner, on pain of expiry of all possible claims in this regard.

Under no circumstances does a complaint give Buyer the right to suspend performance of any of its obligations ensuing from any agreement. Rival Foods and Buyer explicitly agree that articles 6:89 Dutch Civil Code and 7:23 paragraph 1 Dutch Civil Code are not applicable.

7.3 Any complaint as referred to in clause 7.2 must be accompanied by an inspection report from which the specification, nature and scope of the deficiencies and/or defects become apparent. Products in respect of which Buyer submitted a complaint must be kept available at a suitable location for inspection by or on behalf of Rival Foods, without the same having been used, mixed, thawed, refrozen or processed. If so requested, Rival Foods, its insurer or a designated representative on behalf of Rival Foods or its insurer must be provided immediate access to the Products and any and all cooperation required to examine the alleged defect.

7.4 Without prejudice to clause 7.2, Buyer is not entitled to any legal right under these Terms and Conditions, any agreement and/or the applicable law resulting from any alleged defects in Products delivered by Rival Foods if Buyer has fully or partly put delivered Products into use or treated or processed these delivered Products.

7.5 Following the written notification pursuant to clause 7.2 and the inspection report pursuant to clause 7.3, Rival Foods will investigate the merits of the complaint as soon as possible and Buyer will render its cooperation to Rival Foods in this regard for no consideration. If Rival Foods deems the complaint to be well-founded, it shall at its own discretion (i) replace the defective Product or part thereof, free of charge, with the defective Product becoming the property of Rival Foods, or (ii) reimburse or partially reimburse Buyer for the purchase price of the Product, without Buyer being entitled to any other compensation or damages. The remedies as mentioned under (i) and (ii) in the preceding sentence are Buyer's sole and exclusive remedies for, or related to, any claim with respect to defective Products and on condition that, at Rival Foods's sole discretion, Buyer either shall return or destroy (part of) the defective Product at Buyer's expense. However, if Rival Foods considers the complaint to be unfounded, then it is entitled to charge Buyer for the costs which arose in connection with the investigation, as well as any other losses which it sustained as a result thereof.

8. BUYER'S OBLIGATIONS

- 8.1 Buyer undertakes and warrants that with regard to the Products delivered by Rival Foods, Buyer shall always strictly comply with any and all rules, instructions and obligations that (primarily) derive from the specifications pertaining to these Products including but not limited to the storage-temperature indicated in the product specification and/or (transport, conservation, processing, storage and temperature) instructions and directions provided by Rival Foods. Buyer is furthermore obliged to pass on these rules, instructions, obligations and directions as referred to in the preceding sentence to its own customers.
- 8.2 Without prejudice to clause 8.1, Buyer shall at all times comply with the obligations deriving from the applicable (national and international) legislation and regulations as well as guidelines or instructions from national authorities in the area of food safety, applicable at the time of delivery (inter alia the General Food Law Regulation (EC) no. 178/2002 and European and national rules and regulations deriving from the same (including Regulation (EC) no. 852/2004 on the hygiene of foodstuffs as well as Regulation (EC) no. 2073/2005 on microbiological criteria for foodstuffs and the technical documents based on the same that serve as a guideline for operators of ready-to-eat food (Guidance document on *Listeria monocytogenes* shelf-life studies for ready-to-eat foods, under Regulation (EC) No. 2073/2005 of 15 November 2005 on microbiological criteria for foodstuffs and Technical guidance document on shelf-life studies for *Listeria monocytogenes* in ready-to-eat foods, EU-RL for *L. monocytogenes*, version 2 November 2008).
- 8.3 If Products are intended for customers outside the Netherlands, Buyer will ensure that the Products are suitable for import, (re-)sale and processing outside the Netherlands, in particular with regard but not limited to the specific legislation that applies in the relevant country (other than EU legislation) with respect to trading, product liability, hygiene and food safety regulations and other applicable regulations in connection with the delivery of food products, including traceability.
- 8.4 Buyer will indemnify Rival Foods in full against all third-party claims for damages where these concern loss as a result of non-compliance by Buyer with these Terms and Conditions or other requirements of Rival Foods or Buyer's failure to sufficiently inform its customers on the use of the Products. Buyer will furthermore compensate all loss or damage Rival Foods will suffer in such instance, including damage to its reputation and own name.
- 8.5 In the event Rival Foods for whatever reason recalls any Products, Buyer will provide its full cooperation regarding this product recall and will at first request of Rival Foods take all actions Rival Foods deems necessary.

9. LIABILITY

- 9.1 Rival Foods cannot be held liable (i) for a failure against Buyer, regardless of whether or not it is attributable to Rival Foods, (ii) for an unlawful act against Buyer, or (iii) based on any other (legal) ground, except where Rival Foods's liability results from intent or the deliberate recklessness of the directors of Rival Foods or of executive officers forming part of the management. Under no circumstances Rival Foods can be held liable for company damage, environmental damage, consequential loss and/or indirect damage, including but not limited to Buyer's loss of profits and sales, lost savings, damage resulting from the loss of productivity, reputation damage, loss of goodwill and business interruption loss. Nor can Rival Foods be held liable for loss or damage which can be attributed to an act or omission by Buyer or by a third party hired by Buyer or resulting from Buyer providing incorrect, incomplete or unreliable information to Rival Foods.
- 9.2 Without prejudice to clause 9.1 or any other clause in these Terms and Conditions, Rival Foods's cumulative liabilities (and therefore Rival Foods's total liability), based on whatever legal ground, are in all cases limited to the original purchase price of the Products (less any discounts) as listed on the invoice of the relevant delivery or, if this is lower, to the amount that is covered by Rival Foods's liability insurance policy and that is actually paid out in the case in question.

10. FORCE MAJEURE

- 10.1 For the purpose of these Terms and Conditions, force majeure means any circumstance taking place independent of the will of Rival Foods, even if such circumstance could already have been foreseen at the time of entering into the agreement, and which fully or partly, permanently or temporarily, prevents the performance of the agreement between Rival Foods and Buyer. This includes but is not limited to: natural disasters, (threat of) war, terror attacks, riots, serious disturbances, stagnation in the supply of raw materials, energy or the shipment of a final product, sickness of such a number of employees that compliance is not reasonably possible, industrial actions, industrial disputes, other problems in production or supply at Rival Foods or its suppliers and/or problems with in-house transport or transport carried out by third parties, damage to the production as a result of fire, storm or other extreme unforeseen circumstances, every measures taken by or on behalf of an (inter)national authority as well as the impossibility of performing the agreement due to a shortcoming on the part of Rival Foods's suppliers or on the part of persons or businesses engaged by Rival Foods in connection with the performance of an agreement between Rival Foods and Buyer.
- 10.2 In the event of a force majeure situation Rival Foods may, at its own discretion, suspend the performance of its obligations under the affected agreement, or terminate or dissolve said agreement, without judicial intervention being required. Such suspension, termination or dissolution will not create any obligation on the part of Rival Foods to pay any compensation or damages.

11. SUSPENSION AND DISSOLUTION

11.1 If and as soon as:

- (i) Buyer fails to meet one or more of its obligations under these Terms and Conditions or any agreement with Rival Foods on time, in full, properly, or at all;

11.2 Buyer's right to dissolve any agreement between Rival Foods and Buyer pursuant to section 265 in Book 6 of the Dutch Civil Code is excluded.

12. INTELLECTUAL PROPERTY RIGHTS

12.1 All intellectual property rights and/or similar rights vested in and/or relating to (part of) the Products which Rival Foods delivers in any manner whatsoever to Buyer are held solely and exclusively by Rival Foods and/or its licensors. The delivery of Products originating from Rival Foods, may not be constituted as an express or implicit license for use, operation or release to third parties of Rival Foods's intellectual property rights, unless Rival Foods has given its express prior written permission thereto.

- 12.2 Insofar as Buyer, with the required written consent of Rival Foods, changes, processes or otherwise modifies or supplements the Products which Rival Foods delivers or provides in any manner whatsoever to Buyer and this change, processing, modification or supplement is subject to intellectual property rights, then at the first request of Rival Foods, Buyer will transfer these intellectual property rights to Rival Foods nunc pro tunc, without placing any conditions on this, and will render every cooperation to Rival Foods in this regard.
